COMPENSATING POLICY

Our Institution does not compensate any staff member involved in recruitment, enrollment, admissions, student attendance, or sales of educational materials to student.

SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY:

The Satisfactory Academic Progress (SAP) policy is contained in the school's catalog which is provided to applicant prior to enrollment. SAP policy is consistently applied to all students enrolled at the school. This institution expects all students to maintain Satisfactory Academic Progress in both academic and attendance as established by this institution regardless of their financial package. In order to maintain SAP, the student must:

- 1) Maintain a cumulative academic average of 75% (C) or better on all tests, work projects (operations) and other required program work at the end of each evaluation period.
- 2) Maintain a cumulative average attendance level of at least 75% of the scheduled hours indicated on their enrollment contract. For example, a student scheduled to complete 30 hours per week would have to maintain an average weekly attendance of at least 23 hours per week ($30 \times 0.75 = 23$).

Regardless of the average level of attendance, students who have two-week consecutive weeks of absences (14 days) will be dismissed. This standard shall apply to all students except those on an approved Leave-of-Absence (see LOA policy). Leave of absences will extend contract period and maximum time frame by the same number of calendar days taken on the leave of absence. Students who expect to be absent 14 or more days are encouraged to request a Leave-of Absence.

In addition to attendance standards relating to Satisfactory Academic Progress (SAP), students are also required to adhere to certain other general institutional policies relating to attendance and tardiness. These policies are outlined in the School Rules, pages 14-16 of this catalog.

- 3) The maximum time frame for student to maintain Satisfactory Academic Progress is 133% of student's scheduled enrollment. For example, if the student has contracted to complete the program within 40 weeks, he or she must complete within 53 weeks.
- 4) Students must meet minimum requirements for attendance and academic progress at any evaluation point will be considered to be making satisfactory progress until the next evaluation.

MAXIMUM TIME FRAME

The maximum time (133% of the program length) allowed for students to complete each program at satisfactory academic progress is stated below:

<u>PROGRAM</u>	<u>MAXIMUM TIME ALLOWED</u>	
	<u>Weeks</u>	<u>Scheduled Hours</u>

Manicuring - 400 hours Part Time 20hrs/wk	27.0 weeks	532

The maximum time allowed for transfer students who needs less than the full course requirements or part-time students will be determined base on 75% of the scheduled contracted hours.

Students who have not completed the course within the maximum timeframe will be terminated. Students who exceed the maximum timeframe would thereafter be permitted to re-enroll in the program on a cash-pay basis in a manner consistent with the re-enrollment provisions of the institution’s admissions policy.

For program with total length that exceeds one academic year, the first full academic year (900 clock hours) is divided into two equal evaluation periods and the remainder of the program will be treated as a single evaluation period. The evaluation periods are based on scheduled hours. The following table represents the evaluation period for academic year 900 clock hours to be completed in 26 academic weeks.

SAP evaluation periods will be based on scheduled contracted hours at the institution.

Students are evaluated on attendance, theory, practical and clinical work at the conclusion of each evaluation period. Students are required to maintain a cumulative average attendance and academic average of 75% (C) or better. At each evaluation period, the institution will notify students within seven (7) business days following the established evaluation points to review Satisfactory Academic Progress. Progress reports are retained in the student file and a copy is issued to students. The final evaluation is retained in the students file. They will be made available to the students upon request.

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

ACADEMIC PROBATION:

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV fund.

In the event a student is terminated due to not making Satisfactory Academic Progress, all policies regarding the institution's refund policy will apply.

Probationary students who meet SAP by the conclusion of the probationary period will be removed for academic probation.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and eligibility for Title IV aid, by meeting minimum attendance and academic requirements by the end of the warning or probationary period

APPEAL PROCEDURE:

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

Students accepted for re-entering the program that previously were not making satisfactory progress must attain a satisfactory progress status by the next scheduled evaluation, within the evaluation probationary period time frame.

You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage paid. A withdrawal may be effectuated by the student’s written notice or by the student’s conduct, including, but not necessarily limited to, a student’s lack of attendance. Institutions shall refund all monies paid for institutional charges, less registration fee in the amount of one hundred dollars (\$100), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later.

For student who enroll and begin classes but withdraw prior to course completion (after the cancellation period allowed), the refund calculation will be applied as follow, all refunds are base on scheduled hours.

The refund policy for student complete 60% or less of the period of attendance, shall be a prorata refund.

Hypothetical Refund Example in accordance to the state prorata policy for student leaves the institution prior to completing 60% of the program. Assume that a student, upon enrollment in a 1000 hours of the program, pays \$10,500 for tuition, \$100.00 for registration, and \$700.00 for books and supplies as specified in the enrollment agreement and withdraws at scheduled to complete 400 hours. The prorata refund to the student would be \$6,300.00 based on the calculation stated below.

Percentage scheduled to complete: Scheduled hours to complete (400 hours) divided by total hours in program (1000 hours) = 40%

Tuition prorated cost: Total tuition charged in contract (\$10,500) multiplied by percent schedule to complete (40%) = \$4,200

Total School Retains: Tuition prorated cost (\$4,200) + registration fee (\$100) + supplies (\$700) = \$5,000

Total Refund: Total amount student paid (\$11,300) - Total school retains (\$5,000) = \$6,300

For student completed more than 60% of the period of attendance, the institution will retain 100% of tuition.

To determine the percentage completed, the number of hours the student was scheduled to complete in the period of attendance will be divided by the total hours in the period of attendance. In any event you will never be charged for more than the equipment charges stated in the contract. For a list of these charges, see the list on the first page. **IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTEND, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF INSTITUTION'S DETERMINATION THAT THE STUDENT WITHDREW. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, AND THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.**

IF THE STUDENT HAS RECEIVED FEDERAL STUDENT FINANCIAL AID FUNDS, THE STUDENTS IS ENTITLED TO A REFUND OF MONEYS NOT PAID FROM FEDERAL STUDENT FINANCIAL AID PROGRAM FUNDS.

- 1 All refunds will be calculated based on the students last date of attendance. Any monies due a student who withdraws shall be refunded within 45 calendar days of a determination that a student has withdrawn, whether officially or unofficially. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made.
- 2 If the program is canceled subsequent to a student's enrollment, and before instruction in the program has begun, the school will provide a full refund of all monies paid.
- 3 If the school cancels a program or if the school permanently closed and ceases to offer instruction after students have enrolled and instruction has begun, the school must make arrangements for students and provide a pro-rata refund of tuition.

The calculated amount of the Return of Title IV (R2T4) funds that are required for the students affected by this policy, are determined according to the following definitions and procedures as prescribed by regulations.

The amount of Title IV, HEA aid earned is based on the amount of time a student spent in academic attendance, and the total aid received; it has no relationship to student's incurred institutional charges. Because these requirements deal only with Title IV, HEA funds, the order of return of unearned funds do not include funds from sources other than the Title IV, HEA programs.

Title IV, HEA funds are awarded to the student under the assumption that he/she will attend school for the entire period for which the aid is awarded. When student withdraws, he/she may no longer be eligible for the full amount of Title IV, HEA funds that were originally scheduled to be received. Therefore, the amount of Federal funds earned must be determined. If the amount disbursed is greater than the amount earned, unearned funds must be returned.

The institution has 45 days from the date that the institution determines that the student withdrew to return all unearned funds for which it is responsible. The school will notify the student if they owe a repayment via written notice. Institution will perform both an institutional refund calculation and Return to Title IV calculation. First calculation is to determine the amount of aid that the student would be eligible for from the Title IV programs. A second calculation is to determine the amount earned by the institution during the period of enrollment.

The school must advise the student or parent that they have 14 calendar days from the date that the school sent the notification to accept a post withdraw disbursement. If a response is not received from the student or parent within the allowed time frame or the student declines the funds, the school will return any earned funds that the school is holding to the Title IV, HEA programs.

Treatment of Title IV Funds if student withdraws from the program of study:

The law specifies how school must determine the amount of Title IV, HEA program assistance that you earn if you withdraw from school. The Title IV, HEA programs that are covered by this law are: Federal Pell Grants, Iraq and Afghanistan Service Grants, TEACH Grants, Direct Loans, Direct PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans.

Though your aid is posted to your account at the start of each period, you earn the funds as you complete the period. If you withdraw during your payment period or period of enrollment (your school can define these for you and tell you which one applies), the amount of Title IV, HEA program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The Calculation Formula:

Determine the amount of Title IV aid that was disbursed or aid that could have been disbursed.

Calculate the percentage of Title IV aid earned:

- a) Divide the number of clock hours scheduled to be completed in the payment period as of the last date of attendance in the payment period by the total clock hours in the payment period.

$$\frac{\text{HOURS SCHEDULED TO COMPLETE}}{\text{TOTAL HOURS IN PAYMENT PERIOD}} = \% \text{ EARNED}$$

- b) If this percentage is greater than 60%, the student earns 100%.

- c) If this percent is less than or equal to 60%, proceeds with calculation.

Percentage earned from (multiplied by) Total aid disbursed, or could have been disbursed = AMOUNT STUDENT EARNED.

Subtract the Title IV aid earned from the total disbursed = AMOUNT TO BE RETURNED.

100% minus percent earned = UNEARNED PERCENT

Unearned percent (multiplied by) total institutional charges for the period = AMOUNT DUE FROM THE SCHOOL.

If the percent of Title IV aid disbursed is greater than the percent unearned (multiplied by) institutional charges for the period, the amount disbursed will be used in place of the percent unearned.

If the percent unearned (multiplied by) institutional charges for the period are less than the amount due from the school, the student must return or repay one-half of the remaining unearned Federal Pell Grant.

Student is not required to return the overpayment if this amount is equal to or less than 50% of the total grant assistance that was disbursed /or could have been disbursed. The student is also not required to return an overpayment if the amount is \$50 or less.

My-Le's Beauty College will issue a grant overpayment notice to student within 45 days from the date the school's determination that student withdrew, giving student 45 days to either:
Repay the overpayment in full to My-Le's Beauty College or Sign a repayment agreement with the U.S. Department of Education.

Withdrawal Before 60%

If the student withdraws at or less than the sixty percent (60%) of the payment period in program, the students would have earned the same percentage of aid received. The amount of assistance that you have earned is determined on a pro rata basis. For example, if the student withdraws at fifty percent (50%) of the payment period, the student would have earned only 50% of the aid received or eligible to receive. Unearned aid will be returned to the programs in accordance to the guidance described in the regulations. Withdrawing students will be responsible for institutional charges not covered by student aid.

Withdrawal After 60%

If student completed more than 60% of a payment period, the student earns 100% of the disbursed Title IV funds or aid that could have been disbursed.

My-Le's Beauty College measures academic progress in Clock Hours, and performs its Return calculation on a payment period for the period.

Post-Withdrawal Disbursement

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If your post-withdrawal disbursement includes loan funds, your school must get your permission before it can disburse them. You may choose to decline some or all of the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school).

The school needs your permission to use the post-withdrawal grant disbursement for all other school charges. If you do not give your permission (some schools ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

Recoveries

Recoveries resulting from unearned Title IV funds due from the student must be paid in accordance to the terms stated in the promissory note of the student loans. If fund from the grants programs still due from the student, those funds are payable at the rate of 50%. You do not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. You must make arrangements with your school or the Department of Education to return the unearned grant funds. Grant funds due from the student must be repaid within 45 days from the student's withdrawal date. If no repayment is received nor

arrangements are presented, the institution will refer the debt to the U.S. Department of Education. The student will no longer be eligible for aid until informed by the U.S. Department of Education.

Refunds

In any case where a refund is due from institution to the Title IV Programs, the payment of the refund will be made within 45 days from the official withdrawal date in the following order: FPELL, FSEOG, other sources and to the student. This order will be applied providing the received funds from that program and in amounts not to exceed the amounts originally paid from each program.

Withdrawal Date

Students are officially withdrawn when any of following occur:

- a) Date when you notify the school of your intent to withdraw.
- b) Date when the school terminates your Enrollment Agreement.
- c) Date when you fail to attend classes for a two-week consecutive weeks. In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance.
- d) Date when you failed to return as schedule from an approved leave of absence. The withdrawal date will be the last date of attendance.

Title IV Credit Balance Policy

A Title IV credit balance occurs when the total amount of Title IV funding applied to a student's account exceeds the tuition and fees in a given payment period. Federal regulations require all Title IV credit balances to be resolved within 14 calendar days of the date the credit is created. My-Le's Beauty College reconciles all credit balances on an account within 14 calendar days of creation of the credit by holding the excess of funds until the end of the payment period if an authorization has been received or payment by check to student. My-Le's Beauty College requires student to sign a written authorization and consent form called the "Student Credit Balance Statement" before retaining Title IV funding on the student's account for future charges.

Treatment of Title IV credit balances when a student withdraws. This treatment applies only to the handling of Title IV credit balances when a student withdraws. When a student withdraws, a school is required to perform an R2T4 calculation to determine, among other things, whether adjustments to the credit balance will occur. For this reason, the existing 14-day payment requirement is placed on hold to determine the final amount of any Title IV credit balance. The new 14-day deadline begins on the date the school performs the return calculation, not the date the school performs any calculations required by its institutional refund policy. School then take into account both the results of the R2T4 calculation and any applicable refund policy in order to determine the correct Title IV credit balance. Any Title IV credit balance must be allocated first to repay any grant overpayment owed by the student as a result of the current withdrawal. The institution must return such funds to the Title IV grant account within 14 days of the date that the institution performs the R2T4 calculation.

Refund vs. Return to Title IV, HEA Funds

The requirements for the Title IV program funds when you withdraw are separate from any refund policy that My-Le's has. Therefore, you may still owe funds to the school to cover unpaid institutional charges. My-Le's Beauty may also charge you for any Title IV, program funds that they were required to return on your behalf. If you don't already know our school's refund policy, you should ask our administrative staff for a copy.

Return to Title IV, HEA questions?

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at www.studentaid.ed.gov.

STUDENT SERVICES POLICY AND PROCEDURE

The system of delivering student services at My-Le's Beauty College supports and enhances the school's training programs by encouraging student's attendance and promoting student's success. The method we employ of requiring all staff members to be part of the student services delivery system. The purpose of our student services is to assist students in maintaining satisfactory progress and in making informed decisions concerning training and employment. We are also providing advises and assistance to students' needs outside the classroom. Should student need assistance, please contact the administrative personnel.

PROFESSIONAL ASSISTANCE

Students who are experiencing personal problems both inside and outside the classroom are encouraged to discuss with the school staff members for advising and assistance. If your problems are out of our ability to help, we will refer you to outside agencies or programs for assistance. For instance, our school is not providing drug and alcohol abuse prevention, housing, transportation or childcare, but we can refer these services to students if needed. Student needing such service with a referral for outside professional assistance are counseled individually at their request. Student may request advising and assistance for referral at any time with the school administrative personnel.

ADVISING/COUNSELING

Because students are taught by the same instructor throughout their program, most student services are delivered by that instructor. Instructors are responsible for monitoring student's attendance as well as student satisfactory progress. Consequently, when student advising is required, it is the instructor who ascertains the need for such advising and renders it to the students. Students advising are documented by the instructor at the time it is conducted and placed in the student's academic file. Students who are having academic problems will be assisted by the instructors through extra tutoring or additional time spent with the instructor to go over any work missed.

CAREER ADVISING AND PERSONAL ATTENTION

Students are advised individually, as often as necessary to review the student's satisfactory progress. Successful salon owners and stylists are scheduled into the school regularly to give demonstration and discuss career goals, etc. with the students. This activity supplements the daily advising carried out by the instructors and supervisor. Students may request additional advising at any time.

JOB PLACEMENT

This institution does not guarantee placement to any student. However, job placement assistance is provided to students at no additional charge. The school's job placement personnel is responsible for job placement assistance. The process of our school placement assistance service is as the following:

1. As students approach graduation, students are advised by the instructor and/or the school's placement personnel with regard to job search techniques.
2. Upon graduation, student's name is recorded in the student registrar and the process of follow-up begins.
3. The job placement personnel will contact the graduates either by phone or by mail approximately one month after the graduation date and ask when the students take the State Board Examination and record it as a pass or fail.
4. If students have passed the State Board Examination, they are encouraged to return to school for placement assistance by reviewing the listings of salons seeking employees or by direct assistance from the school's job placement personnel.
5. If students cannot return to school, the school will refer them to job opportunities available by phone. Name of salon, address, phone number and name of contact of person will be given to students and students are sent to interviews. The results of these interviews are recorded in the student registrar.

The school may show prospective students this registrar upon request. The school's job placement personnel assists students in placement as often as needed. If you should have any questions regarding job placement assistance, please feel free to ask the school at any time.

Please notice that students must take and pass the State Board Examination before they can be placed on the job placement, so that the placement process cannot begin until the students have passed the State Board Examination.

FINANCIAL AID MECHANISM

Financial aid is a mechanism that reduces out-of-pocket costs that the student and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants and loans. Grants do not have to be repaid. Loans usually have low interest rates and a student must re-pay in accordance to the individual loan program terms. Most of the loans can be arranged to require payment after a grace period of several months upon graduation, or upon the student's termination from the program or if a student's attendance falls below half time. Financial aid is awarded to students who have "need". Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

Student Eligibility Requirements

To be eligible for financial aid, a student must:

- Be admitted as a regular student;
- Be enrolled or accepted for enrollment in an eligible program on at least a half time basis;

VERIFICATION PROCESS

Federal regulations 34 C.F.R. Part 668, Subpart E, dated March 14, 1986 executing legislation 20 U.S.C. 1094 governing the title IV programs require schools to be sure of certain applicant-reported data.

These regulations require schools to develop written policies and procedures for verification. The school is required to make these policies available to all applicants for financial aid, as well as prospective students upon request. This procedure is part of the Admissions and Counseling process.

To follow the regulations and achieve consistency governing this process, the following verification policies apply to all applicants for Title IV programs. Under the regulations, the school will not disburse FPELL or Campus-Based aid, nor certify Stafford/PLUS loan applications, until completion of verification process.

WHO MUST BE VERIFIED

The policy of this school shall be to verify those students selected by the need analysis (SAR or ISIR) system for verification.

VERIFICATION EXCLUSIONS

Applicants excluded from verification include:

- ***Incarceration.*** If the applicant is in jail or prison at the time of verification.
- ***Recent Immigrant.*** Immigrant who arrived in the United States during calendar year or Award Year
- ***Spouse/parent unavailable:*** - Spouse or parent information is not required to be verified if the spouse or the parent is deceased, or physically incapacitated, or residing in a country other than the United States and cannot be contacted by normal means, or cannot be located because the address is unknown and cannot be obtained by the applicant.
- ***Death of Applicant.*** dies during the award year or before the deadline for completing the verification.

The school shall resolve inconsistent application information for all applicants, in agreement with requirements of 34 C.F.R. Part 688.16(f).

DOCUMENTATION REQUIRED

The documentation student will need for verification varies according to the Verification Items depending upon student status. The Department of Education encourages student and parent to use the IRS Data Retrieval Tool (DRT) to import data from their tax return.

If students cannot or will not use IRS DRT, they must document AGI; taxes paid and untaxed income by providing an IRS tax return transcript for the student and spouse or parents, as applicable.

Applicants shall complete the appropriate sections of the Verification Worksheet. There are two different worksheets: One for dependent students and one for independent students. Use the worksheets to update and for verification of data. Applicants shall follow the instructions in the Verification Worksheet. The school's financial aid officer may require/provide other appropriate forms.

TIME PERIOD FOR PROVIDING DOCUMENTATION:

Applicants must provide the financial aid officer the required documentation within 30 days from the day of enrollment. If the students make correction to the Pell SAR, they must complete and process them within two weeks from the enrollment date, or the date the school received the ISIR, whichever comes first. If the tax return transcripts need to be requested from IRS, the school allow no more than 60 days for its receipt.

APPLICANT RESPONSIBILITIES:

To be eligible to receive Title IV funds, we require applicants to provide requested information during the time period(s) specified in these policies. Applicants must certify that the following data items are correct as listed on the original application; or, if not correct, must update the data items, as of the date of verification:

The applicant must repay any over award, or any award, discovered during verification, for which he/she was not eligible.

CONSEQUENCES OF FAILURE TO PROVIDE DOCUMENTING WITHIN THE SPECIFIED TIME PERIOD(S):

If the student cannot provide all required documentation, the school cannot complete the verification process within 60 days from the date of the request. The school must then advise applicants that they are not eligible for financial aid funds. The school then gives the applicants the following options:

- The student may continue training on a cash payment basis.
- The student may withdraw, and re-enroll at no additional charge. There will be no loss of credit earned, when the student provides all proof, and verification is complete.
- The applicant must repay any over award or any award for which he/she was not eligible, discovered during verification

INTERIM DISBURSEMENTS:

The school may not make any interim disbursements. The student must complete verification before disbursement of any Title IV funds.

TOLERANCES:

The student must make correction on the SAR if there is any change in dollar errors. The new EFC is computed when required as a result of comments on the SAR, and or as a result of data item changes. This occurs regardless of the absolute error amount.

NOTIFICATION OF RESULTS OF VERIFICATION:

The school shall notify the applicant of additional information or documentation needed for Verification and any change in the EFC. The school shall notify the applicant when they complete verification by:

- Obtaining the student's signature and date on the Financial Aid Acceptance.
- Obtaining the student's initial on the Financial Award Notice.

REFERRAL PROCEDURE:

A school must refer to the department's Office of Inspector General (OIG) any credible information indicating that an applicant for Federal Students Aid may have engaged in fraud or other criminal misconduct in connection with his or her application.

CONSTITUTION DAY

The Consolidated Appropriations Act, 2005, (Pub. L. 108-447) requires educational institutions that receive Federal funds to hold an educational program on the United States Constitution on September 17 of each year. In observance of the constitutional day September 17th of each year, our staff and students will have a celebration/education to remembering our nation history.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for

reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.
